Permanent Absentee List

Signing up for the Permanent Absentee Ballot list only takes 2 minutes and will ensure that a ballot is mailed to you for every future election. It will help to ensure you never miss an election and you can see everything on your ballot ahead of time.

You can still choose to vote in person. However, it is safe to vote absentee in Monroe. By receiving an absentee ballot for every future election, you will help to increase voter turnout which will help us to elect Republicans up and down the ballot!

Turnout in Monroe for the 2024 Primary was 20%! In the words of President Trump "we must make it TOO BIG TO RIG!"

use QR code or visit www.michigan.gov to register for permanent absentee list

Your Monroe County Republican Party

Monroe County has become one of the most conservative counties in the state, presenting us with an opportunity to significantly influence both state and federal elections. To capitalize on this potential, we must focus on increasing voter turnout and engagement within the county. The Monroe County Republican Party (MCRP) is dedicated to recruiting strong candidates for local races, informing voters about local issues, and holding elected officials accountable.

When Trump urged us to "fight," he meant to get involved and engaged in our community to help win elections. There are many ways to get involved - join MCRP, invest in our efforts, volunteer your time, follow us on Facebook, run for office - to name a few.

If you are a conservative who loves America and worries about our future, the Monroe County Republican Party is the place for you. Together, we will safeguard our future and create a legacy of which we can all be proud.

This guide is for informational purposes and is not an endorsement of any candidate. The Monroe County Republican Party does not determine who is allowed to run for office as a Republican. Paid for with regulated funds by the Monroe County Republican Party, PO Box 560, Monroe MI 48161
